WHITEHOUSE INSTITUTE OF DESIGN

New courses at Whitehouse Institute of Design:

Two information sessions will be held to promote the following new part time courses that will be offered this year- design fundamentals, fashion, millinery, interiors, marketing and visual merchandising.

The sessions will be run Thursday 21 March, 6.30-7.30pm at the Whitehouse Institute of Design, 672 Bourke Street, Melbourne. For more information, go to www.whitehouse-design.edu.au or phone 03 9600 3625

ENGINEERING CAREERS EXPO

The Engineers Australia Careers Expo will be held Thursday 21 March, 11am – 7pm at the Etihad Stadium, Melbourne. You will be able to

- Participate in interactive workshops
- Talk to over 80 exhibitors from engineering, science and technological industries
- Attend inspirational engineering presentations.

For more information, contact Sarah Cooke, 03 9321 1703, scooke@engineersaustralia.org.au or go to www.engineeringexpo.org.au

DESIGN BYTES AT RMIT

Design Bytes at RMIT: This short course is for students who want to know more about design, preparing folios and interviews for TAFE and university courses.

You will also learn about design trends, and educational and career opportunities. The course will be held Saturday 23 March, 10am – 12.30pm.

For more information, search for Design Bytes at http://www.shortcourses.rmit.edu.au/

SCIENCE IN THE CITY, RMIT

Passionate about science? RMIT are running the first of three Science in the City Lab Tours on Thursday 11 April between 1.30pm – 4.00pm. You will be able to

- View their state-of-the-art learning laboratories
- See first-hand the broad range of sophisticated equipment and facilities and
- Discover what science at RMIT is all about.

Lunch is provided. Please register at: www.rmit.edu.au/appliedsciences/discover
Have you considered a career in Forensic Science? Then you should attend the next Forensic Science Careers Information Day on **Friday 5 April, 12.30 – 4.00pm** at the Victorian Institute of Forensic Medicine (VIFM), Southbank.

Work at the VIFM includes

- Forensic pathology
- Clinical forensic medicine
- Medico-legal death investigation
- Paternity testing
- Forensic science services
- Preparing coroners reports
- Offering expert opinions on a range of issues

You will receive information on careers in the industry, but you will not be able to participate in a tour of the Building. There are only 70 spaces available so you will need to register quickly.

For more information and to register, go to [http://www.vifm.org/about-us/careers-at-vifm/](http://www.vifm.org/about-us/careers-at-vifm/)

---
