IN MEMORIAM: JOCELYN HALL
At the very end of last term we were deeply saddened to receive the news that one of our teachers, Jocelyn Hall had lost her battle with long-term illness, and passed away on 26th June.

Jocelyn had been a teacher for thirty years, and had worked at FCC for fifteen of those from 1997 to 2011. Jocelyn came from Footscray Yarraville to Footscray City when the two schools merged, and she was an absolute gain for our science department. She was a highly accomplished science teacher who was held in high regard by her students. She was particularly knowledgeable in her two areas of expertise, Chemistry and Biology.

Not only was Jocelyn an excellent teacher of science from Years 7 to 12, but she related well and connected with her students on a more individual and personal level. Her level of care and duty she felt towards her students was so evident in the way Jocelyn was almost always there for her students and classes in spite of the long term illness with which she dealt.

Jocelyn showed exceptional commitment, strength and courage in the face of such adversity and it was only last year that she decided she had to give up teaching and spend precious time with her family.

While Jocelyn will be missed by her colleagues, friends and students, her legacy will live on at the college. One of her requests was that we establish a Jocelyn Hall Science Award, and we will be absolutely proud to present this award each year in Jocelyn’s honour.

YEAR 7-11 ASSEMBLY
Our school assembly last Thursday, commenced with a tribute to Jocelyn. Ellana Hedger, a Year 12 student from last year who had been a student of Jocelyn’s in Year 9 and 11, returned to make a heartfelt address to the assembly.

A minute’s silence was also observed, and our students are to be commended on the respectful and serious manner in which they took part in this.

SRC LED ASSEMBLY
Our SRC members are also to be highly commended for the confident and very accomplished style in which they conducted the assembly. This year’s SRC members expressed a keenness to lead student assemblies and this was their first experience with a whole school gathering (minus Year 12 students). It will be common practice from here on for SRC members to lead all Year level and whole school assemblies.

SEMESTER ONE AWARDS
One of the main purposes of this assembly was to acknowledge and celebrate the outstanding achievements and effort of some of our students in semester one.

The SRC members announced these awards and they went to:

**Year 11:** Hannah Clifton, Nicholas Fawcett, Nicholas Frewson, Nathanael Nagash,
A number of Year 10 students also received awards for their participation in a peer mentor training program. It is commendable that these students were prepared to make the additional effort to be trained so that they can provide leadership through assisting others.

Finally the prize-winners for a Photography competition were announced with the second prize going to Alex Wilson Yr 7 and first prize to Danielle Theilke Yr 11.

Congratulations to all students who were acknowledged with awards, and to all students who put in a substantial effort to achieve success in their studies in semester one.

Finally, could I encourage everyone who can, to come along to the school production, 13 The Musical to be entertained by our very talented students who have worked very hard for many weeks to stage this performance. There is further information about the show, below.

JUICE BAR SUCCESS
FCC Business Studies and Community Action students send kids to school.

Thank you to students and parents who ran the Jungle Juice Bar on Open Day and during school lunchtimes to raise money for children at a Vietnamese Orphanage. The $300 raised will send three Vietnamese children to school for a year. Unit 1 Business Management and Accounting students used their theoretical knowledge to set up the business and operate it on Open Day while the Year 9 Community Action students (led by Elya, and Rhia) continued the fund-raising during school lunchtimes as a component of their Community Service. Special thanks to parents such as Bernadette Strathopoulos who supported the Yr 11 team of Lydia S, William H (whose parents drove him to school with donated boxes of fruit), Hannah G, Filemon G, and Zillana S throughout Open Day. Student contact with the 20th Man Fund during the course of their Community Action Local Investigation led to discussions about a suitable charity for students to focus their efforts upon. An awareness of the educational opportunities to which our students have access compared to those of the children of the orphanage resulted in their decision to help improve the lives of others. Once again the students of FCC demonstrate their caring and compassionate nature.

Pictured are our Semester 1 Community Action students receiving their SCOPE Young Ambassadors certificates from Councillor Michael Clarke after their Local Investigation presentations at Maribyrnong Town Hall.

**UNIVERSITY OPEN DAYS**
At an open day, you can find out about the facilities, future work opportunities, accommodation and student life, as well as meet current students and lecturers. You can also find out about what flexible study and training arrangements are available, such as part time, external, and on campus.

What your child finds out can help them decide if tertiary education is for them, which courses they would like to apply for and what school subjects to choose.

You can keep abreast of the open days throughout August and September by visiting the myfuture Calendar or by following us on Facebook, Twitter and Google+.

**YEAR 8 DRAMA MONOLOGUE PERFORMANCES**
In Term 2, Year 8RW “All boy’s group” Drama students studied the theatre making methods of Stanislavsky and The Meisner acting technique and put them into practice with a self devised character based monologue for performance. In practical lessons through workshop and performance, students experienced the twelve cornerstones of theatre, actively engaging in concepts of climax, conflict, contrast, focus, language, mood, rhythm, sound, symbol, space, tension and timing. Each student chose a celebrated musician from the 20th century and researched, wrote and performed a monologue in character. The exciting work was of an excellent standard with students using voice, gesture, costume and make up most effectively to become a wide range of well known and loved singers. The cinema upstairs was “choc o block” with familiar guises from Kiss make up to Rastafarian dreadlocks. High commendations must go to Andre Arellano as the King of Rock n Roll, Elvis Presley., Marko Jankovic as Jon Bon Jovi, Jack Carrington as AC/DC first front man Bon Scott, Liam O’Donovan as outspoken U2 front man Bono, Tom Chambers as reggae star Bob Marley and Harris Langham as glam rock singer Alice Cooper. However the performance day concluded with an exciting climax as Taradon Yongpadcha, Lennie Hart, Blake Watson and Adam Aden took to the stage and wowed their peers with a stupendous performance as The Spice Girls. Adam Aden’s moves as Scary Spice were spectacular!
