SEAL Application Process Information For Parents

Thank you for your interest in applying for the Select Entry Accelerated Learning Program at Footscray City College. The school has worked with EduTest to design a series of tests to identify students who are suitable for the program. Only students currently enrolled in Grade 6 may apply.

In 2017, the following selection procedures will be used to identify students for the 2018 intake:

1. Test administered by EduTest on Friday May 26th 2017 at 9.30 am at Footscray City College.
2. Interviews with shortlisted applicants and their parents/guardians.

To apply for Footscray City College Year 7, 2018 intake go to our website and register for the Edutest.

www.footscray.vic.edu.au

Closing date for Edutest registration is Friday 19th May.

Please note that test results will not be released to parents or guardians. The EduTest will be held on Friday May 26th, 2017. If your child has applied for other schools that use the EduTest, it is only necessary to sit the test once, at the school whose test occurs first. Results are transferred to any schools that test later. However you must apply to each school and pay a fee for each.

Please ensure your child is at the College at 9.00am for a 9.30am start. The testing will be finished by 12.00pm.

What to bring:

Children should bring a snack, a bottle of water, two blue or black pens, two HB or 2B pencils, a pencil sharpener and an eraser. Parents are not permitted in the testing room. Mobile phones are not permitted.

Photo ID of the student applicant will be required (Passport, Student ID Card, Travel Card, Library Card)

Following the test:

The test results are returned to the college. Applications shortlisted for selection, together with their parents, will be interviewed. If your child is shortlisted for an interview you will be sent a notification via email on the Monday 5th of June. First round offers will be made known on the same date that all secondary schools make known their 2018 Year 7 enrolments. This is expected to be a date in mid August 2017.

If you have any queries, please contact the school via email: sealp@footscray.vic.edu.au
