

## SEAL Application Process Information For Parents

Thank you for your interest in applying for the Select Entry Accelerated Learning Program at Footscray City College. The school has worked with EduTest to design a series of tests to identify students who are suitable for the program. Only students currently enrolled in Grade 6 may apply.

In 2019, the following selection procedures will be used to identify students for the 2020 intake:

To apply for the Footscray City College Year 7, 2020 intake go to either the Footscray City College or Gilmore College for Girls websites and register for the Edutest.

**Closing date for Edutest registration is Friday 17th May.**

Please note that test results will not be released to parents or guardians. The EduTest date will be advised. If your child has applied for other schools that use the EduTest, it is only necessary to sit the test once, at the school whose test occurs first. Results are transferred to any schools that test later. However you must apply to each school and pay a fee for each.

**What to bring to the entry test at Footscray City College Friday May 24th 2019:**

Children should bring a snack, a bottle of water, two blue or black pens, two HB or 2B pencils, a pencil sharpener and an eraser. Parents are not permitted in the testing room. Mobile phones are not permitted. Photo ID of the student applicant will be required (Passport, Student ID Card, Travel Card, Library Card)

**Following the test:**

The test results are returned to the college. Offers are expected to be made by mid August 2019.

If you have any queries, please contact the school via email: [sealp@footscray.vic.edu.au](mailto:sealp@footscray.vic.edu.au)
